

WORKNET

YOUR LOCAL BUSINESS NETWORK WORKING FOR YOU

Worknet offer a networking solution to ALL contractors and local businesses.

At Worknet we make use of ALL businesses on our “CELL” to help promote and generate leads for our other members on the Worknet group.

We allow ONLY one (1) type of business on the cell to ensure that your business get the full potential of our networking group.

Maximum (2) Two businesses will be allowed if workloads are to big for one to handle

The benefits of joining Worknet:

We at head office do the advertising to get work and leads for you

- 1. We allow only one type of business in a “cell” unless the main member agree to ad another member due to heavy work load*
- 2. We (Call Centre) get leads and dispatch it a.s.a.p. to our main member to follow up within 2-4 Hours to quote the customer.*
- 3. We support our fellow members as much as possible to ensure that ALL our members get leads and work from the “cell”.*
- 4. You are ONLY allowed to do your main function on a quote (e.g. Plumber do plumbing work Only , Painting contractor do paintwork Only, Short term insurer do Only short term insurance, etc.)*
- 5. Other work **must be referred back to us** to re-allocated it to other contractors on the “Cell”.*
- 6. We have monthly meeting (compulsory) to give feedback on any work progress and outstanding leads.*
- 7. We are here to help build all of our businesses together and ensure every lead is followed up and successfully completed.*
- 8. Please download the agreement , complete and emailed back to us for approval.*
- 9. **PLEASE NOTE NOT ALL APPLICATIONS WILL BE ACCEPTED ,WE ARE VERY STRICT ON SCREENING BUSINESSES TO BE PART OF WORKNET***

Only ONE (1) business listed per category OR TWO (2) if work load to big for one member
