## **Consulting Agency**

Are you happy and sure that your life insurance policy is up to date and you will receive your benefit pay-out as promised.

Let us check and confirm you will receive your benefit as per policy.

We have checked some policies and found that about 85 – 90 % of claims have been rejected for one or other exclusion on the policy.

### **Some info about us and what we do.**

We are the new baby in the cot.

We can help.

### **DON'T WAIT UNTIL IT'S TO LATE.**

We are an independent consulting agency that investigate insurance life policies. We are not affiliated to any insurance companies. We are not brokers or lawyers for any insurance company.

We can assist you to get your benefit paid out without any delays.

We will send our suggestions or report to you after we checked your policy and consulted your insurance company if required.

We are not allowed to change any details of your policy.

There are a lot of insurance companies that make use of external brokers to sell their products. Normally they don't give you the proper advise on the product you really need and just sell the product to earn their commissions.

### **How we work.**

A standard administration fee of R250-00 (once-off) apply for any policy we assist you with.

We check all details of your policy and report any changes required to your policy.

You are the client and is the only one that can ask the insurance company to amend your policy.

If your policy is acceptable and no changes are required we will refund you with R100-00

We do not work telephonically as we require that all communication are done via email .

We require a paper trail to protect all clients.

All information is confidential and protected by the national POPI act.

ALL communication must be via email.
